PVC CARE & MAINTENANCE KIT

1. DESCRIPTION / CONTENTS

PVC CLEANER 480	1 X 500ML	PVC Cleaner 480 is a water-based, milky cleaning agent for white PVC and white plastics. It is ideal for cleaning window frames and plastic garden furniture.
PVC CLEANER 490	1 X 500ML	Coloured PVC Cleaner 490 Structoclean is a specialised cleaner specifically designed for the cleaning and maintenance of coloured PVC (e.g. coated with Renolit film).
SPONGE	1	The microfibres on both sides ensure thorough yet gentle cleaning without the risk of scratching. Machine washable.
MICROFIBRE CLOTH	1	High-quality blue microfibre cloth (300 g/m ²) without edging. Machine washable.
